

Seed Dispersal and Frugivory: Ecology, Evolution and Conservation (2002)

Edited by Douglas J. Levey, Departamento de Zoologia, Instituto de Biologia, UNICAMP, Campinas, Brazil; Westley R. Silva, Departamento de Zoologia, Instituto de Biologia, UNICAMP, Campinas, Brazil; Mauro Galetti, Departamento de Ecologia, Univ Estadual Paulista, Sao Paulo, Brazil. CABI International.

Historical and Theoretical Perspectives
